

zero

*Around, around and around we go.
Now I've made a zero.*

one

A straight line down and then I'm done. That's the way to make a one.

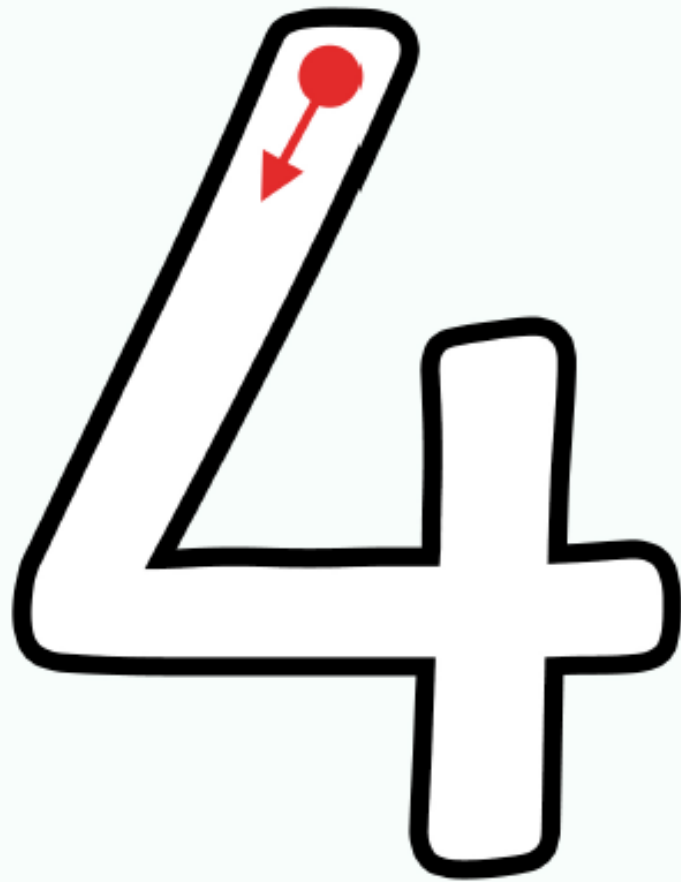

two

*Half a heart says I love you, add a
line and I've made a two!*

three

*Around the tree, around the tree. Now
I've made a number three!*

four

Down and across and down once more, now I've made the number four!

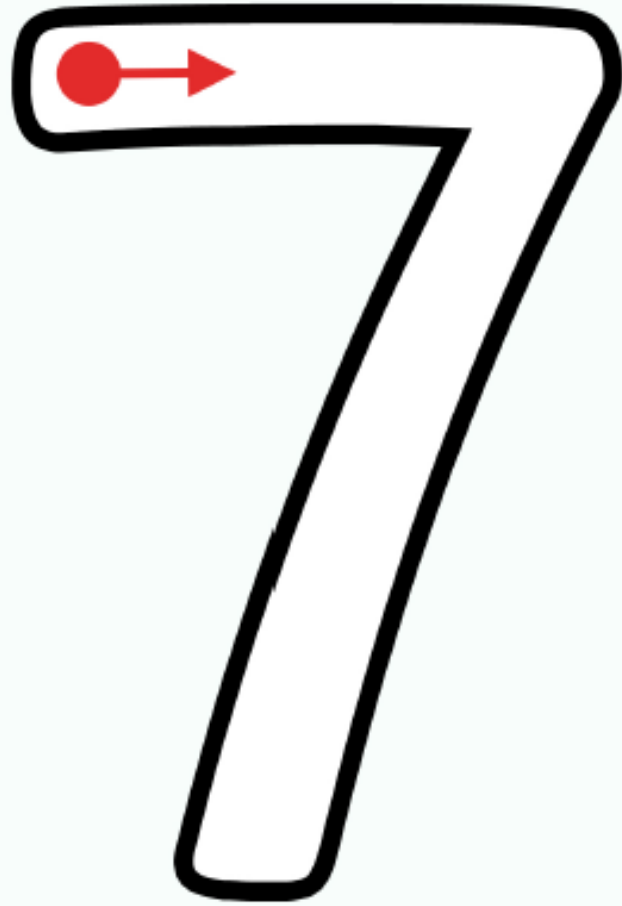

five

*Long neck, tummy fat. Number five
wears a hat!*

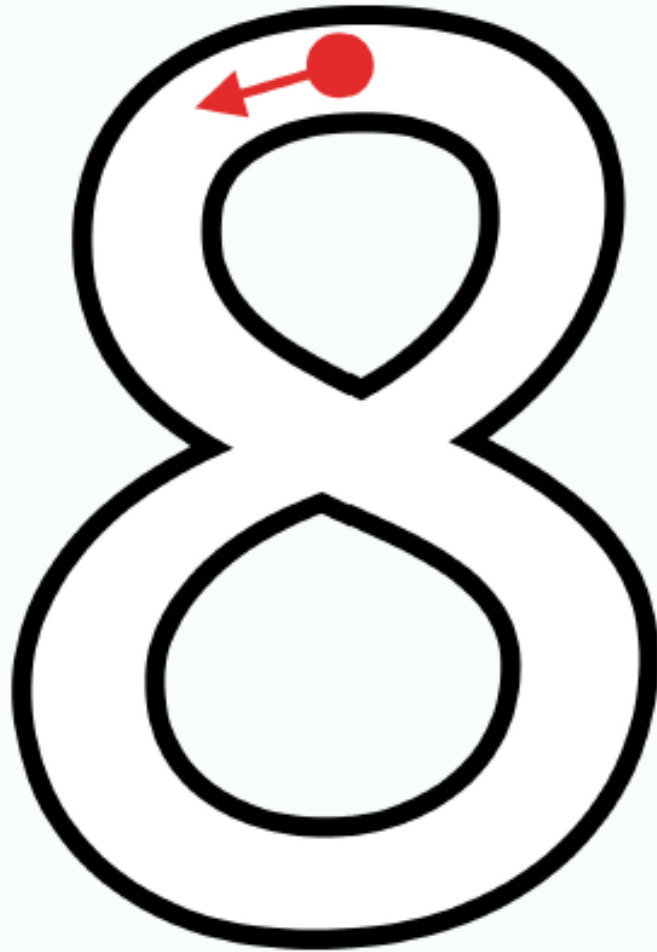

six

*Down I go and make a loop, number
six makes a hoop.*

seven

*Drive straight then down to Devon, now
I've made a number seven.*

eight

Make an S but do not wait, go back up. Now that's an eight!

nine

Draw a circle and add a line. That's the way to make a nine.
